Sir:

REQUEST FOR RECONSIDERATION**OFFICIAL**

Responsive to the FINAL Official Action dated June 3, 2003, please favorably consider the ensuing remarks.

Applicants thank the Examiner for the indication of allowable subject matter in claims 22 – 30 and 32 – 46. Applicants now address the erroneous final rejection of claims 1 – 21 and 31, which are alleged anticipated by US Patent 6,466,556 to Boudreaux.

The Final Rejection of June 3, 2003 essentially repeats verbatim the grounds of rejection from the first office action, although now with respect to fewer claims. The Final Rejection does not respond to Applicants' March 19, 2003 arguments. Rather, the Final Rejection alleges that such Arguments fail to comply with 37 CFR 1.111(b) for failing to point out how the language of the claims patentably distinguishes from the references.
